Loan Service At Park Theatre

On Sunday afternoon at 2:30 a parade started from the foot of E street on Washington avenue to the Park theatre, where a service was held in connection with the Victory Loan Drive; it was headed by Girl Cadets of the Semiahmoo High, dressed with blue and white kopis, white blouses and blue skirts, followed by Girl Guides, Scouts, Ladies of the Auxiliary Branches and Veterans. Frontiersmen directed the traffic.

At the theatre the service was in charge of Rev. F. Hardy and Rev. W. R. Jeffcott. The public were able to follow the service by the programmes issued, the prayers were read in unison and the hymns led by the combined choirs of the United and Anglican churches. Rev. Hardy read the lesson and Rev. Jeffcott preached the sermon, taking his text from the 8th chapter of St. John, 14th verse, "Phillip said unto Jesus and show us the Father and Jesus said, have I been so long with thee, Phillip, that ye have not known me." Following are some of the points he emphasized: Following in the steps of Jesus Christ was to obtain Freedom. The world is crying out for someone to lead them, but they won't be led. We are responsible for the position in which we find ourselves, and will only recover when we come back to the feet of Jesus Christ.

ARP Notes

Word has been received that five sirens will be installed in suitable places in the White Rock area next week.

Sand depots should be established by the time of this publication at the following places:

Coldcutt Villa, Kelman's Garage, Rose Jar, Trinity Church sign, on Washington, Brookfield Market, Maple St., Park Theatre, Semiahmoo Junior High School.

The general public would do well for their own safety to take careful note of the following:

Have in your home or on your property, at all time:

A First Aid Kit.
Long Handled shovel, dry sand, garden hose connected.

Water drawn in containers, dark glasses, flashlight with double layer of blue cellophane inside lens.

Your A.R.P. Warden will instruct you as to the various uses of same.

Your warden will need the assistance of every able-bodied person in his district.

The general public are responsible for their own safety. Your warden is an experienced voluntary helper, not your paid servant. Please co-operate.

The A.R.P. officials are indebted to Mr. Fred Kalley for drawing up several maps of the district at his own expense; also indebted to Mr. Frank Bird, assisted by Mr. Bradshaw and Mr. Bockus, for filling in the details which outline the locality of the various posts.

Instructions for MEN only (A.R.P. Wardens and Fire Brigade) in First Aid and Gas Precautions will be given in the Canadian Legion Hall every Wednesday at 7:30 p.m., commencing Feb. 25.

Instructions for mixed class in Advanced First Aid, Gas Precaution and Stretcher Drill will be given every Friday in the Canadian Legion Hall at 7:30 p.m., commencing Feb. 27. There will be no official examination for certificates in above mentioned classes and no expense incurred.

A municipal work crew is busy completing the fill on Campbell River road east of Stayte road.

Boy Scouts Active

White Rock's main street to be greatly enhanced by the landscaping and flower beds in the hope of the Boy Scout troop. After the salvage campaign is in proper order the boys, under leadership of Scoutmaster Bruce, hope to be able to build a lasting memento of their progressiveness by transforming the plot of ground between the pier head and station into a small park.

The plan has met the approval of the railway officials and permission is to be asked the municipal council.

The boys would like an expression of opinion on the matter and urge interested citizens drop a line to the Semiahmoo Sun, outlining their ideas on the subject.

White Rock Boy Scouts are to make a salvage pick up for the Red Cross on Saturday, February 28. Residents are urged that magazines and papers must be in securely tied bundles, not exceeding 35 lbs. per bundle. Any salvage not properly packed will be refused. A complete list of salvage articles wanted will be found elsewhere in this issue.

Dick Garner gave the Boy Scouts the first of a series of talks on photography at their meeting on Friday night. The boys showed great interest in the subject and are eagerly awaiting the next lecture.

Victory Loan Half Way

Surrey and Langley districts kept pace with the rest of British Columbia during the past week in connection with Canada's Second Victory Loan.

Wednesday, Herb Foley, canvassing organizer for this district, reported that Surrey's total has reached \$125,000, well past the half way mark towards minimum objective of \$215,000.

Mr. Foley reports that the canvassers have completed about 50 per cent of their calls in White Rock. No figures are available at present for this area, but it is understood to be considerably more than last year.

Thermometer readings Thursday morning stood at: Surrey, \$125,000; Langley, \$90,000.

Ottawa.—Following wire designed to give you latest information on Victory Loan late as possible before you go to press.

Canadian Second Victory Loan now well past half way mark towards minimum objective of \$600,000,000.

Cumulative total announced at midweek \$361,969,050 including thousands of individual subscriptions as well as company purchases. Large subscriptions announced to-day include Canadian Pacific Railway Co. \$10,000,000.

The regular bi-monthly meeting of the overseas Birthday Club was held the evening of February 18 at the home of Mrs. Wm. Hosler, Mrs. A. Sheppard winning the raffle. The meeting decided to hold another home cooking sale at the Blue Moon, Saturday, February 25, which they hope will be as fully patronized as the last one.

Dog owners are reminded that dog licenses are now due, and may be had from Constable Moffat.

Reg Taylor is home from Edmonton, where he has been completing a diesel engineering course.

By Mrs. Shaw

The Pro Rec display at Langley proved to be a happy day for White Rock. Both boys and girls were awarded the second highest in points. Considering this was the first year for White Rock they did very well, for quite a few of the teams taking part had had Pro Rec for three terms. Both judges complimented White Rock on the progress it had made the first term. Classes will be carried on till the end of March. Then a display will be given in White Rock and we hope all our citizens will be interested enough to attend and see the work of the Pro Rec. Classes held in the Legion hall Mondays and Thursdays at 8 p.m.

Sirens To Be Installed

Installation of air raid sirens in Surrey is expected to be completed within the next ten days.

A government inspector working with A.R.P. and municipal officials, made a tour of the municipality Tuesday to find proper locations for sirens.

Two sirens will be installed in White Rock, one a five horsepower, the other a three, the larger to be located at the pumping station, corner of Buena Vista and Oxford street, the smaller one in the Park area.

Other sirens to be installed in Surrey include a one horsepower at Crescent; a three horsepower at Cloverdale; a three horsepower at Newton; a five horsepower at junction of King George VI and Trans-Canada highways, and a five horsepower at the Pattullo bridge.

Board of Trade Luncheon

The council of the White Rock Board of Trade met at a luncheon in Ruby's Lodge for the first time on Monday. The chief discussion was publicity, and the getting out of folders for this year. With this in mind an advertising committee was named consisting of F. Kalley for the east end, C. W. Amos for the centre and D. Hughes for the west. This committee will start right away soliciting for the proposed folder. The chairmen of other committees were also named: finance, C. W. Amos; membership, A. Rafton-Canning; roads and bridges, W. C. Frank; publicity, chairman, T. D. Coldcutt, F. Kalley, C. W. Amos, W. E. Taylor and D. Hughes.

Army & Navy Veterans will hold their regular meeting at their hall on Friday, April 6, at 7:30 p.m.

Mr. and Mrs. Sid Seabrook, to be accompanied by Mr. and Mrs. Fred Seabrook, intend visiting Seattle on Saturday to attend the golden wedding anniversary of Mr. Seabrook's parents.

The regular monthly meeting of the Ladies' Auxiliary to the Army & Navy Veterans will be held in the headquarters on Tuesday, March 3, at 2 p.m.

Stewart Duncan of Kamloops is holidaying for a few days with his brother on North Bluff road.

The public works department is making an added improvement to the King George highway by constructing guard rails along curves and ditches.

Zoning By-law Clarified At Ratepayers' Meeting

The Ratepayers Association met on Friday evening at the Gospel Mission hall. President Fred Kalley was in the chair. A letter was read from the retiring secretary, Mrs. H. Hayward, thanking the association for a gift sent her by the executive on behalf of the society. The A.R.P. acknowledged receipt of a donation of five dollars, for their work.

Most of the discussion centred around a resolution which had been sent to the Municipal Council regarding zoning of the residential lots to avoid any further locating of fur and poultry farms below Buena Vista. As the word lots was omitted from the resolution the impression was given that the objection included acreage as well, which had not been the intention of the membership. Several farmers and poultry men from the area mentioned were present to take exception to such a radical proposal. P. J. Walker, president of the Community Club, complained that his club, which was purely social, was blamed for the proposal. In fact, he said, one of the members had not spoken to him since.

President Kalley explained at some length that the confusion might have arisen through his having been to the council before on behalf of the Community club as an officer of the club. He thought more people should avail themselves of the opportunity to put their influence behind the Ratepayers' Association and help make the district one which would attract tourists.

Mrs. Mills, a member of the ex-

ecutive, read the report of the council's decision showing that they had decided to zone beyond Buena Vista except where acreage was involved.

Councillor W. C. Frank explained that in wording the regulation, municipal clerk J. Farmer, having consideration to the fact that in a few months the zones would have to be extended farther north, had suggested including the larger area. He said that a committee of which Reeve Brown was chairman would constitute an appeal board. He warned against taking any steps which might involve legal complications.

Ocean Park Community Club also hoped to take advantage of the zoning by-law. A meeting will be held sometime shortly to include both Ocean Park and White Rock at which the Reeve will explain the advantages of the zoning and consider the cases of those upon whom it may press too heavily. The limit of acreage on which commercial poultry or fur farms can be undertaken is two acres, preferably in one block, although neighbouring lots if partly contiguous are not barred at present.

A member disclosed that the military authorities have been making a survey of White Rock with the object of locating a military camp site in the district.

A change in the secretaryship was sanctioned by the meeting. Mr. Robert Hapnell replacing Mr. Benetton, who was forced to resign owing to pressure of private affairs.

Christening Service

Helen Louise, daughter of Mr. and Mrs. A. J. Sharp, was christened Sunday, Feb. 15, by Canon Plaskett in St. Mary's Anglican Church at four o'clock.

Godparents to the baby were Mrs. D. Ridgeway, Mrs. Eric Swenson and Mr. Gordon Gillard, R.C.N.

Following the ceremony a reception was held at the home of the maternal grandparents, Mr. and Mrs. J. Gillard, at 1636 Stride avenue.

Guests included Mr. and Mrs. Eric Swenson, Mr. and Mrs. F. Seabrook, Mr. and Mrs. Ridgeway, Mrs. Matt Howard.

Two navy boys were feted Saturday night when Marvin Wahl and Jack Pinkney were guests of honour at a social dance in the Legion hall. Sponsored by the Ladies' Auxiliary and Canadian Legion with the assistance of the Overseas Birthday Club, a crowd numbering nearly 200 voted the affair one of the most pleasant for some time.

Major part of the evening was taken up with dancing, music being supplied by Mr. and Mrs. Baker and Maurice Bruce.

Mrs. Baker, Mrs. Fraser and President Foley welcomed the guests. Members of the Legion gave the boys cigarettes and Mrs. Fraser presented the young sailors with delicacies not usually found on the mess tables. These will be much appreciated after the boys rejoin their ships.

Dennis Peckover, R.C.A.F. Saskatoon, is home on two weeks' leave. Denny has met nearly all the White Rock boys who have joined the air force.

Gordon Duda, with the R.C.A.F. at Saskatoon, was a visitor at the S. Seabrook home on Monday.

Be A Calendar Marker

"Help your Red Cross, auxiliary society, club, church and other organizations by becoming a calendar marker," is the suggestion advanced for the benefit of readers of the Sun. It comes from a White Rock woman who is an active community worker, and no doubt follows this plan herself in order to keep track of the many events local organizations arrange in the community interest. We pass it along in our correspondents own words.

"Look over your local paper, notice the dates of meetings, teas, whist drives, etc. of your local organizations. Go immediately to your calendar and mark the dates with initials of the events.

Dozens of citizens are not attending events because the dates slip their memory. Mark your calendar and these organizations will have a larger attendance, more support and greater interest---help that is urgently needed.

There may be more truth than poetry in Thursday's News-Herald unless we are prepared and ready to avert such a calamity. Buy Victory Bonds.

If there is
an
Air Raid
Alarm

If there is an air raid alarm, don't
telephone unless absolutely neces-
sary. Leave the telephone system
free to handle urgent calls by the
authorities. Your safety may depend
on this.

The recent blackout on the coast
gave us a significant warning of how
the public can quickly overload the
telephone system, interfering with
vital calls.

Resist the impulse to telephone
about unusual sights or sounds dur-
ing the present critical days.

Theatre News

For Monday, Tuesday and Wed-
nesday "Wild Geese Calling". Ad-
venture-melodrama. Henry Fonda,
a rawboned lumberjack with an in-
curable wanderlust, is torn between
his love for Miss Bennett, a dance
hall girl whom he has married, and
his hero worship of William, a like-
able scallawag who specializes in
confidence games and chasing rain-
bows over the rough western out-
posts. Fonda does not know that
his wife was a former sweetheart of
his hero. The expose breaking up
the happy marriage and friendship
until a child is born and Fonda de-
cides to stop pursuing wild geese.

Also "Maise Was A Lady". A
comedy drama. Here's Maise again
the girl who knows all the answers
and most of the questions. Maise
hits high socially and outwits a
crowd of lowbrows, in the funniest
picture she ever made.

To conclude the week comes the
picture "Aloma of the South Seas".
Romantic drama. Rebellion on an
exotic South Seas Island all because
two men wanted the same girl. The
Romance sensation of the season
filmed in gorgeous technicolor.

Also "Road Show". A comedy.
Escaping from an asylum, Menjou
and a young companion find refuge
in a breakdown travelling carnival,
owned and operated by Carole Lan-
dis. They are put to work and the
motivation from that point forward
serves only as a frail framework
upon which are plastered the fast
idyllic situations.

Co-operate with Britain, to
down Nazism—
Buy your War Savings Certifi-
cates NOW.

LET'S HAVE
NO BLACKOUTS
IN FARM
PRODUCTION

Co-operate with the authorities by all means. Ex-
tinguish every light that must not burn; shield every
light where diminished reflection only is permitted
—but keep your barns and farm buildings well
lighted inside. Proper size lamps kept clean;
plenty of sockets, correctly placed—none empty,
will enable every Farmer to go about his work with
ease and safety, permit greater effectiveness in his
work and save valuable time.

Every room in your house should be bright. Whether
working in the kitchen or reading in the easy chair,
playtime in the rumpus room or study at a desk,
don't run the risk of eye strain or mental fatigue
due to inadequate lighting—poor health means
interrupted farm management, curtailed production.

Anyway you look at it, better farm lighting means
easier, increased operation; so use your lights as
you should—let's have no blackout periods in farm
production.

BRITISH COLUMBIA ELECTRIC RAILWAY CO. LTD.

Salvage Campaign

It seems that the citizens of White Rock are going by the radio broadcast as to the kind of salvage the Red Cross is asking for. These broadcasts refer only to city salvage collections and not to country places, White Rock in particular.

The following is a list of salvage required in White Rock:

Wool and Cotton Rags, useless clothing.

Burlap, Sacking, Rope, String, Twine.

Tooth Paste and Shaving Cream Tubes.

Aluminum, copper, brass, tin foil. Unbroken bottles, sealers or jars of all kinds of glass.

Rubber tires and tubes.

Old Telephone Directories, Newspapers and Magazines.

Magazines and newspapers must be tied in separate bundles of not

over 35 pounds each.

The Scouts rest assured that the citizens are willing to co-operate in every way to make the pickup on February 28 an even bigger success than that of last Saturday.

A convoy bridge and bingo, sponsored by the Stella Maria Altar society, will be held at the home of Mrs. L. Hicks, Prospect avenue, on Tuesday, March 17. For transportation see Miss Kay Hennessey.

The Mothers Overseas Club intends holding a home cooking sale in the near future to help raise funds for soldiers' comforts.

A walk to Blaine is very invigorating these fine days.

Fred Kalley made and donated several first class maps to the A. R.P. organization.

The beautiful hand-painted satin

cushion cover displayed in David Hughes' window was made and donated by Bill Taylor to the local L.O.L. for a draw in aid of the Loyal Protestant Home. Tickets on sale in Hughes' and Mackenzie's.

Zipper buttons are said to be replacing buttons on almost everything, except in the Sunday church collection

STOP THIS MENACE

THE MENACE of a hateful way of life casts its shadow across our homes. Victory Bonds will raise up a shield against it.

So buy Victory Bonds to the limit. We cannot be half-hearted while this danger threatens our very shores. Let us go full out now and give such vigor to our country's effort as to speed the day of victory.

This is the *least* we can do—to lend our money for our country's defence. Buy a share in victory today—buy Victory Bonds.

HOW TO BUY—Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000, and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.

Come On Canada!

New or Additional COST OF LIVING BONUS Prohibited Without Permission

Order of National War Labour Board
to Employers and Employees:

An employer who was not paying his
employees a cost of living bonus prior
to February 15, 1942, may not start to
pay such a bonus on or after that date,
nor may an employer who has been paying
such a bonus now increase it unless he has
specific permission from a War Labour
Board.

Whether in the future a bonus may be
paid or changed in amount will depend on
the National War Labour Board's an-
nouncement in May 1942, with respect to
any change in the cost of living index
between October 1941, and April 1942,
unless in a particular case a War Labour
Board has given specific permission to do
otherwise.

By Order of the
National War Labour Board
HUMPHREY MITCHELL
Minister of Labour
and Chairman

Ottawa, Canada
February 16, 1942
